Station Manager, WCSR
Smith College

Dear Miss Butler:

Your letter regarding a WVBR broadcast from Smith College was received here with great enthusiasm. Our staff, which was greatly interested in the proposal, has suggested either November 11th or November 18th as tentative dates for the broadcast. I shall await further word from you as to which date is the more convenient.

I would also like to have a copy of your program schedule. The staff is interested in the type of programs you present, so that they may, if possible, provide something a little different.

Sincerely,

G. Philips Hanna
